

BODY

mouthwash & gargle

Swish to whiten teeth, freshen breath and reduce harmful effects of bad oral bacteria. Gargle at the first sign of a sore throat. After brushing, squirt your toothbrush to sanitize.

topical anti-fungal / viral / bacterial

Use on areas of skin affected by fungal, viral, or bacterial infection to reduce symptoms.

FIRST AID

cuts & scrapes

Got an ouchie or a boo-boo? Spray or swab to disinfect cuts and abrasions.

FOOD

fruit & veggie wash

Soak fruit and veggies to remove dirt, parasites, pesticides and bad bacteria. Plus, keep your veggies fresher for longer!

sprouts

Keep seed-soaking water and sprouts mold free and invigorated with oxygen.

GARDEN

rejuvenate plants

Enliven and nourish garden and houseplants by misting or watering them with a solution of FGHP3 + water.

THE CLEANEST WAY TO CLEAN EVERY- THING

PETS

doggie oral hygiene

Spray in your doggie's mouth and brush to clean and whiten teeth, reduce harmful bacteria, and freshen doggie breath.

skunk odor

One of the best ways to restore sanity if your pet finds itself on the wrong end of a skunk.

aquarium

FGHP3 is an excellent way to clean the algae and grime from empty aquariums and fish bowls.

KITCHEN

surfaces

Disinfect and brighten all countertop surfaces. Reduce germs on handles.

dishwasher

Add sparkle and sanitation to every load of dishes.

BATHROOM

tub & shower

Whiten bathroom surfaces while removing mold and bacteria.

LAUNDRY

brighten & disinfect

Brighten and disinfect laundry loads without the harmful effects of chlorine bleach.

HOUSEHOLD

humidifiers

Keep your humidifier water fresh and bacteria-free.

gray water systems

With no sodium or toxins, FGHP3 is the ultimate cleaner for homes with gray water systems.
